M3D; The Original Series
Episode and Song List

By Mr.Goatfarmer

Original show created by M3D studios.

Episodes

Volume 1-The first volume of the series. contains mostly nursery rhymes songs such as Old McDonald and itsy bit spider. The only two unique songs within this volume are Somewhere on the planet and Binky (underscore).

Volume 2-This volume contains more original songs than Volume one, though still has one or two familiar tunes. It contains songs such as The Ride on the Bus and Tommy's theme.

Volume 3- Perhaps the most famous volume of the series, due to Vailskibum's video on it. Contains fan favorites like Playmate and Carnival.

Volume 4; Mark & Willy's Treasure Quest-Probably the most different volume in terms of structure, rather than a song collection this videos structure is more of an anthology of stories, some of which starting the title characters. Featuring Mark & Willy's misadventures in fixing a computer and a basketball competition.
